

PhD seminar:
**“TOOLS AND INDICATORS IN THE PROCEDURES FOR
EVALUATING AND ANALYSING SCIENTIFIC OUTPUT”**

TRAINER:

Giorgio Longo, Area Valutazione, Gestione Dati e Programmazione Strategica Della Ricerca,
Università di Torino

DATES AND TIMETABLE:

Thursday **28th September 2023** h. 09:00 am - 1 pm (CEST Time)

Tuesday **3rd October 2023** h.09:00 am – 1 pm (CEST Time)

LOCATION: In presence - **Room TBA**

DURATION: 8 hours

LANGUAGE: ENGLISH/ITALIAN (depending of the audience enrolled in the course)

SEMINAR PROGRAM:

28th September

9:00 Welcome of participants

9:15:

1h & 30m - 1. The main indicators used in evaluation procedures:

- Scientific production and citation databases
- Scientific impact:
 - articles: citations and autocitations
 - journals:
 - popularity indicators (IF, IPP)
 - prestige indicators (SJR, AI)
 - italian class A and scientific Journals
 - researcher impact (H-Index)
- Research products & journals unique identifiers:
 - citation databases unique identifiers
 - ISBN
 - ISSN

10:45 am: short break

11:00:

1h & 30m - 2. Introduction to analyze research performance: the use of SciVal (www.scival.com):

- Getting started with SciVal
- 'Overview' Module
- 'Benchmarking' Module
- 'Collaboration' Module
- 'Trends' Module
- Working with Reports

12: 30 Q&A and closing of the day

3rd October

9:00 Welcome of participants

9:15:

1h & 30m - 3. Introduction to scientific production archiving in UNITO

- UniTO's research output database (iris.unito.it)
- MUR web site (loginmiur.cineca.it)
- Researcher unique identifiers (ORCID ID, ScopusID, ResearcherID)
- The correct UNITO affiliation string
- Authors' string position

10:45: short break

11:00:

1h & 30m - 4. Research evaluation procedures

- Italian scientific disciplinary sectors
- ERC panels classification
- Research evaluation in Italy (VQR, ASN)
- Research evaluation in UNITO (PhD courses, Local Research, Recruitment protocols)

12: 30 Q&A and closing of the seminar

Enrolment:

To participate is necessary to enrol (link available on the Doctoral School website).
Enrolment will close at 10 am of the 21st of September.

Location(s) of the seminar will be announced on the website as soon as determined.
Enrolled participants will also receive notification via email.

Certificates of attendance:

Participants will receive the certificates of attendance indicating the number of hours (**8 hours**) via mail after the seminar.

PhD Candidates may submit the certificate to their PhD Coordinator to be recognized according to their PhD Program regulation.

Certificates will be issued only to participants who will attend **both days of the seminars**.
