

UNIVERSITÀ DEGLI STUDI DI TORINO

Scuola di Dottorato

The Doctoral School of the University invites you to participate in the training course "**Bibliography and bibliometrics like pros: Stay up to date and Develop Literature Syntheses in the Biomedical Domain**", as a part of the initiatives of complementary research training organized with the Library Services of the University (Medical Sciences Hub).

This training will be held on-line. The course will last **14 hours**:

8 hours need to be completed autonomously at the dedicated **Moodle** platform within the period **22 February 2021-21 March 2021**;

6 hours will consist in **3 Webex webinars** of 2 hours each, scheduled on the following dates:

23rd March 2021, 11:00-13:00

25th March 2021, 11:00-13:00

26th March 2021, 11:00-13:00

The training is directed primarily to doctoral candidates of the medical research areas, but is open to all.

Discussed topics: Overview of literature syntheses - Methods for a systematic approach to literature search - Searching bibliographic and citation databases (e.g. PubMed / Embase) - Feedly to follow literature updates - Reference Management Software (e.g. Mendeley) - Publish with impact: paper/journal/author-level metrics from Scopus and WoS

Language: english

Trainers: Paolo Gardois, Nicoletta Colombi

To participate, it is necessary to enrol by filling in the form at the following link by February, 17:

<https://forms.gle/UzAgcxH5vnWhwRzP7>

Participants will receive information about the dedicated Moodle and the link to the Webex meetings prior to the beginning of the course.

Requirements for the issue of the certificate of attendance:

The automatic tracking of activity completion will be setted on the Moodle platform; a tick/checkmark will appear against all the compulsory activities when the students complete them. In addition to this activity completion report, participants should attend at least 2 out of 3 Webex meetings to receive a certificate of attendance.
