CALL FOR ADMISSIONS TO UNITO PH.D. PROGRAMS, 38TH CYCLE (FUNDED BY UNITO, EXTERNAL BODIES AND BY THE NRRP)

GUIDE FOR APPLICANTS

This guide provides technical information for submitting a PhD application through the online platform PICA.

For any academic/scientific information, please, contact the Coordinator of the PhD Program.

Before starting to fill in your application form, you must read thoroughly:

• THE CALL FOR ADMISSION TO UNITO PH.D. PROGRAMS, 38TH CYCLE (FUNDED BY UNITO, EXTERNAL BODIES AND BY THE NRRP)

• THE PHD PROGRAM INFORMATION SHEET (ANNEX 1) of the PhD Program you are applying for.

This document includes: evaluation criteria, the required documents to be uploaded, the number of available positions and available research projects.

Both documents are available at the webpage 2 tornata XXXVIII ciclo e PNRR application.

1. SUPPORT

For information about selections process: dottorati@unito.it

For technical problems, please, use the Support link at the bottom of the application webpage.

Requests sent in a different way from those above-mentioned may not be answered.
2. REGISTRATION AND ACCESS TO THE ONLINE PLATFORM

Applications for the Call for admission to UniTO PhD Programmes - 38th cycle (funded by unito, external bodies and by the NRRP) (a.y. 2022/23) can only be submitted through the online application platform.

To directly log into the application webpage go to https://pica.cineca.it/unito/2022-dott-2atornata/ and click “Login”.

Italian citizens must login with SPID credentials. Foreign citizens can login with PICA credentials. Foreign citizens who are not yet registered on PICA must select the item "New Registration", then enter the information required.

e-mail: dottorati@unito.it
After entering all the information required by the registration procedure, confirm it by clicking on the "New registration" button. The system shall send you an email to confirm your registration.

If you don’t receive a confirmation email or have any technical problems, please, request support by clicking on the Support link, at the bottom of the webpage.

e-mail: dottorati@unito.it
If you already have credentials, but you need to recover them, please, click on “Forgotten credentials?”

![Image 5. Recover credentials](image)

If you access using SPID credentials (mandatory option for Italian citizens), please, select “Università di Torino” that you can find among the available options.

![Image 6. Selection of the institute option](image)

e-mail: dottorati@unito.it
After selecting “Università di Torino”, follow the instructions shown by the system to select your SPID digital identity administrator, then approve the transmission via SPID of your personal information (as shown by the system).

**WARNING:** if you access using SPID credentials, your signature is not required when applying, but you still must submit your application.

If you need support while registering or accessing the online platform, please, click on the **Support link**, at the bottom of the webpage.

### 3. HOW TO FILL IN YOUR APPLICATION

Once the registration and/or the access has been made, you can proceed with filling in your application. After selecting the Call (Selezione pubblica per l’ammissione ai Corsi di Dottorato di Ricerca del XXXVIII ciclo con assegnazione di borse di dottorato finanziate dall’Università di Torino, da Enti esterni o a valere sul PNRR, Missione 4 Componente 2 / Call for the admission to the PhD Programmes of the 38th cycle with assignment of PhD scholarships funded by the University of Turin or by external bodies or under theMission 4 Component 2 of NRRP), click on “Gestisci le domande/Manage your applications”.

![Application Form](application_form.png)

E-mail: dottorati@unito.it
To start your application, click on the button “Compila una nuova domanda/New submission”, at the bottom left.

The APPLICATION will consist of the following FIVE SECTIONS:

1. DATI ANAGRAFICI E RECAPITI PERSONALI/PERSONAL DATA
2. DICHIARAZIONI/DECLARATIONS
3. CORSO DI DOTTORATO/ PHD PROGRAMME
4. TITOLI ACCADEMICI/ACADEMIC QUALIFICATIONS
5. TITOLI DA ALLEGARE PER LA PRESENTAZIONE DELLA DOMANDA/DOCUMENTS TO BE SUBMITTED WITH THE APPLICATION FORM

When you fill in your application form, you can always save data and come back to the platform later. Your application shall be saved and accessible again from the Dashboard or clicking on the manu bar item “My PICA”. To change, supplement or correct your application draft, click on the button “MODIFICA/EDIT”.

e-mail: dottorati@unito.it
Section 1 - Dati anagrafici e recapiti personali Personal Data / Personal Data

This section is prefilled with data already entered in the registration procedure; you have consequently to fill in empty fields. If you find any mistakes concerning your personal data, please, correct them by accessing "Profilo Utente", in the top right corner of the page.

WARNING: in order to save the data that you have entered and continue with your application, you must always click on the button “SALVA E PROSEGUI/SAVE AND PROCEED” at the end of each section. If you click directly on “Successiva/Next” instead of “SALVA E PROSEGUI/SAVE AND PROCEED”, data already entered will not be saved.

e-mail: dottorati@unito.it
If the information provided is successfully uploaded, you can proceed to the next section, otherwise error messages will appear, and it will be necessary to correct entered data or include any missing information in mandatory fields.

**SECTION 2 – Dichiarazioni/Declarations**

In the section “DECLARATIONS”, you must provide a few mandatory declarations by ticking related boxes. In this section, it is also required to upload an identity document. Eligible identity documents are identity card, passport, or driving licence. Finally, where necessary, it is also possible to fill in a request for extra time or assistance during examinations.

**SECTION 3 - Corso di Dottorato/PhD Programme**

In the section “PhD PROGRAMME”, you must select the PhD Programme you want to apply for.

After selecting the PhD Programme, select the title of the Research Project among those offered by the Programme.

e-mail: dottorati@unito.it
After the choice of the PhD Programme, if you request to take the interview online, explain the reason in the related field.

SECTION 4 – Titoli Accademici/Admission qualifications

In the section “ADMISSION QUALIFICATIONS”, you have to provide information about your qualification giving access to PhD (See Articles 3 and 4 of the Call for Admission).

First, according to your status, you must choose among the following 4 options (box “Titoli accademici/Admission qualification”, “Type” drop-down menu):

- Graduated Italian degree or equivalent
- Graduating Italian degree
- Graduated foreign degree
- Graduating foreign degree

E-mail: dottorati@unito.it
After selecting the “Type” of your admission qualification, you must provide the information about the qualification you obtained or are obtaining by filling in the fields of the box “Titoli accademici/Admission qualification”.

In the box “Titolo di studio estero/Foreign awarded degree” you have to:

- Choose among two options: if you have already obtained an official recognition of your foreign degree by an Italian University (equipollenza), tick the first box; if you have not obtained an official recognition of your foreign degree by an Italian University, tick the second box;

- Upload Master’s degree documentation.

e-mail: dottorati@unito.it
As part of your study and research career, you must also provide information about your Bachelor’s degree, filling in the box “Titolo laurea Triennale/Bachelor”.

Please, note that according to your status, you must upload documents differently. If you are:

1) a **graduated candidate holding a foreign degree**, you have to upload your Master’s Degree and Transcripts (and any other document related to your Master’s degree) in the box “Titolo di studio estero / Foreign awarded Degree”, while Bachelor’s Degree and transcripts must be uploaded in the Box “Bachelor”;

2) a **graduating candidate** who are obtaining a **foreign degree**, you must upload your Master’s Transcripts, Bachelor’s Degree and Bachelor’s Transcripts Box “Bachelor”;

3) a **graduated candidate with an Italian degree** you just have to fill in fields in the box “Admission qualification” but you don’t have to upload any document.

4) a **graduating candidate** who are obtaining an **Italian degree**, you must upload a self-certification about both Bachelor’s and Master’s (or Single Cycle Degree) Transcripts, specifying grades, ECTS and weighted average.

e-mail: dottorati@unito.it
WARNING: In case of qualifications obtained abroad, applicants must upload the documents required by the Call as set in Article 4 of the Call for admission for PhD positions.

SECTION 5 - Titoli da allegare per la presentazione della domanda / Documents to be submitted with the application form

This section allows applicants to upload all the documents required by the Programme Info Sheet (Annex 1) of the PhD Programme for which you are applying.

In this section, you can provide information and supporting documentation related to:

- CV (Annex 2): please, use the template provided at the page: https://www.dottorato.unito.it/do/documenti.pl/Show?_id=f94a

- PROGETTO DI RICERCA / RESEARCH PROJECT (written by the applicant)

Please, read carefully which documents are required by the PhD Programme Info Sheet (Annex 1) in order to include them in a complete and correct manner.

Files must be uploaded in pdf format and be readable.

e-mail: dottorati@unito.it
4. SUBMITTING YOUR APPLICATION

After filling in your application and uploading all the files required by the Call and by the PhD Programme Information Sheet (Annex 1), the application can be submitted upon the payment of the application fee (except for those cases specified in the Call, see Article 6 of the Call for admission for PhD positions) and signing of the application.

Click on the button “Verifica/Verify”, on the dashboard, in order to allow the system to check that all the mandatory information was entered then click on “Cruscotto/Dashboard” to come back to the list of your applications (draft or to be submitted). After this check, you can proceed with the payment of the application fee by clicking on the button ”PAYMENT” (please, see the Art. 6 of the Call).

If you are exempted from the payment of the application fee, the button “PAYMENT” will not be active. Payment can only be made via Pago PA.

---

e-mail: dottorati@unito.it
After making the payment, you can click on the button “FIRMA E PRESENTA/SIGN AND SUBMIT” and see your complete application. By clicking on the button “FIRMA/SIGN”, your application is generated in a PDF format and you can proceed to sign it, selecting a signature method among those provided by the platform.

**WARNING:** if you logged in using SPID credentials, you are not required to sign the application (which in any case must be submitted by clicking the specific button). On the top of the page you can verify to be logged with your SPID profile.

**Image 19. Verify your SPID user profile and submit your application**
According to the signature method you choose, you must follow the instructions shown by the system.

If you choose “Handwritten signature” (first option), please, pay attention to correctly upload the PDF file containing your signed application.

You do not have to upload your ID document again, since it was already uploaded in section 2 (“Dichiarazioni/Declarations”).

Once the PDF file has been uploaded, you must complete your application by clicking on the button “Presenta la domanda/submit the application”.

e-mail: dottorati@unito.it
Once the procedure has been completed and the electronic application has been submitted, you shall receive an email with a notification of correct transmission. At any time, you can enter the system again, log in with your credentials and see your application and the application status from MyPICA.

**Image 21. Submit the application**

**Image 22. MyPICA**

**CHANGES AND WITHDRAWAL**

- If you have submitted your application and already received a confirmation email, you can no longer access your application in order to modify it, but you can only withdraw it by accessing the withdrawal procedure from the dashboard. This allows you to fill in and submit a new application.

  e-mail: dottorati@unito.it
Furthermore, you can recover the tax payment made for the withdrawn application and use it to pay the tax of the new application (if you are not exempted).

- If you have created a PDF file of your application, but you have still to complete the submission procedure (the signed application has not been uploaded and you have not received an email confirming the application submission), then you must click on the **Support link**, at the bottom of the application webpage, asking to open your application again. Your request must include the reason for your request, your application ID and a copy of your ID document.

Please, note that you can also delete from your Cruscotto/Dashboard applications in draft status by clicking the button “Elimina/Delete”. Applications which require the fee payment (via PagoPA) can be deleted only if the payment is still to be made.
